"Fade Away"

My feelings go away,
And I'm about to lose hope.
My eyes won't see the light
Because my tears keep falling down.

'cause I'm about to BREATHE the air of life,
Yeah, I was waiting too long
And I'll get you when you SAY
free your mind, to free your mind.

I'm about to fade away, I'm about to fade away.
I WON'T SAY NOTHING TO YOU, I WON'T SAY NOTHING
I'll keep on holding you close, but I'm better without
you.

My feet will see the day
If I decide to stay home.
And I'm blind, turn on the lights
Before my eyes OPEN slowly.

I'm about to feel the air of life,
Yeah, and it's waiting to fall down.
But I'll keep your heart in mine all my life, all my life.

I'm about to fade away, I'm about to fade away.
I WON'T SAY NOTHING TO YOU, I WON'T SAY NOTHING
I'll keep on holding you close, but I'm better without
you.

I'm about to fade away, I'm about to fade away.
I WON'T SAY NOTHING TO YOU, I WON'T SAY NOTHING
I'll keep on holding you close, but I'm better without
you.
