The more you tired  
The more you are being less inside  
The more it changed  
The more you lost your place of mind  
girl...I know what it's like to feel this way  
girl,I do understand  
It wasn't all that easy,yeah.

You better watch out,my friend  
You're on the run,but it never comes easy  
It could happen again.  
You're on the run,but never comes easy  
You better get out,my friend  
You're on the run,but it never comes easy

The more you cried  
The more you're being restless inside  
The more it changed  
The more your eyes stayed open at night girl  
I know what it's like to lose your way  
Girl,I do understand  
It wasn't all that easy,yeah

But then your mom said "Enough"  
But it's hard to stay yourself  
And then it's hard to put yourself back on track  
You need some help.  
Find yourself,it's on the way  
Yeah,yeah,yeah,yeah  
But it's never easy,yeah.

You better watch out,my friend  
You're on the run,but it never comes easy  
It could happen again.  
You're on the run,but never comes easy

You better get out,my friend  
You're on the run,but it never comes easy
