In New York they want me,  
and I'm gonna be there,  
damn city's calling, and I'm gonna be there  
In Paris they want me,  
and I'm gonna be there,  
spreading the vibe

all over, all over  
yeah uh, rushed and lying, calling them

shilly tilly wally tilly tilly  
shilly shilly yeahh  
shilly tilly wally tilly tilly  
ye-yeahh

the vibe is so right

You never had it easy, I know  
But I still remember you,  
and what we used to say so  
this is my song for you, my friend  
You can only see that I, can hardly let things go, oh oh  
yeah

So listen to the sound of my voice  
Your brothers sending momma love, is giving me no  
choice no no no  
So listen to the sound of the voice, ha!  
Raggamuffin is a freedomfighter, he's handling a  
choice and I know, that  
Dear raggamuffin is one of the band  
what you see is what you need in the end  
What you ever gonna gonna do I dunno

Dear raggamuffin shall not fall down  
Cause she has the wisdom of a not fool around  
what is a good sense under ya ground ... ??

You never had it easy I know  
I still remember you, and what we used to have so  
This' my song for you, oh  
You could only see that I, would never forget, anyways

Ohohoh, yeah..(3x)

Dear raggamuffin is one of the band  
what you see is what you need in the end  
What you ever gonna gonna do I dunno

Dear raggamuffin shall not fall down  
Cause she has the wisdom of not fool around  
what is a good sense ... ??????
