I hear your name whispered on the wind  
It's a sound that makes me cry  
I hear a song blow again and again  
Through my mind and I don't know why  
I wish I didn't feel so strong about you  
like happiness and love revolve around you  
Trying to catch your heart is like trying to catch a star  
So many people love you, baby, that must be what you  
are

Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah  
Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah

I've learned to feel what I cannot see  
But with you I lose that vision  
I don't know how to dream your dream  
So I'm all caught up in the superstition  
I want to reach out and pull you to me  
Who says I should let a wild one go free ?  
Trying to catch your heart is like trying to catch a star  
But I can't love you this much, baby, and love you from  
this far

Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah  
Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah

Waiting (However long)  
I don't like waiting (I'll wait for you)  
It's so hard waiting (Don't be too long)  
Seems like waiting (Waiting) makes me love you even  
more, woah

Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah  
Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah  
Waiting for a star to fall, carry your heart into my arms

And that's where you belong, in my arms baby, yeah  
Waiting for a star to fall, carry your heart into my arms  
And that's where you belong, in my arms baby, yeah.
