I feel the hit
B4 it touches my lips
Cut the swisha
W/the French tips
Pull it close so I can
Give a soft lick
Then press w/my lips
Making sure the stuff sticks-yeah

And he say he from the ghetto
And I say boy hello, hello
Tell me are u from the ESO,
Acorns, San Jo,
Crestside Vallejo?

Hook:
I just gotta have a man
that goes "dumb"
I just need to find a man
that goes "dumb"
I just gotta have a man
that goes "dumb"
I just need to-
(Aaaaaah)
My girl says
He gotta rep the Bay (2 the fullest)
So we head to the EPA
Search High search
Low in the Low
Go back to the Sco
So we can hit up Fillmoe-Oh!
And he say

And I say
"But can u go Dumb?"
And he takes

And screams out "Yee!"
