(Times 2)  
In your life  
In your life  
In your life  
In YOUR LIFE

(In your life)

Sitting on a ferris wheel  
Watching the world go round and round it goes  
Maybe that's how lovers feel  
Up and down, where it stops nobody knows  
How many tears for how many broken hearts?  
Just how many sorrows?  
How much you'll take In YOUR LIFE?

(Times 2)  
In your life  
In your life  
In your life  
In your life (In your life)

Nobody knows!!! (Ole ole ole ola)  
In your life, in your life (Ole ole ole ola)

Lonely heart of a little boy  
Waiting for his daddy with a brand new toy  
Lonely eyes of a pretty little girl  
Petrified of love cause they don't know

How many tears for how many broken hearts?  
Just how many sorrows?  
How much you'll take In YOUR LIFE?

(Times 2)  
In your life  
In your life  
In your life  
In your life (In your life)

Nobody knows!!! (Ole ole ole ola)

In your life, in your life (Ole ole ole ola)  
In your life...

For God so loved the world  
He gave his only begotten son  
That whosoever believeth in him  
Shall not perish, but have everlasting life

Nobody knows  
Nobody knows  
Nobody knows  
(repeat as necessary)

I know I could be in your life  
Forever in your life  
I know I should be by your side  
Forever in your life  
This is what it all comes down to (In your life)  
This is what it all comes down to (In your life)

In your life  
In your life  
In your life  
In your life (FOREVER) (In your life)  
Repeat

(Times 2)  
Nobody knows!!! (Ole ole ole ola)  
In your life, in your life (Ole ole ole ola)  
In your life
