(Chorus)

Sweet dreams of rhythm and dancing
Sweet dreams of passion through the night
Sweet dreams are taking over
Sweet dreams of dancing through the night

I want to get into motion
A better devotion
So I can make it through the night
So the music is playing
You know what I'm saying
Now everything will be alright

(Chorus)

Ohh ohhhh
Ola ola yeahh (x4)

Rhythm is a creation
A better sensation
That will lead you through the night
When your body is moving
The music is grooving
I want to take you home tonight

Ohh Ohh
Olaa olaa yeah (x4)

(Rap)

Keep dancing hard, get this groove more feeling
Dance trance dance more dealing
In, out, up, down, all around
On the dance floor, getting down
Eye stuff is what I'm calling this
These dreams definitely can't miss
Have you dancing right in the night
Sweet dreamin' all through the night
Take the time just to show them who
We can make your body move
Shake your body with all your might
Shake the power, gonna make it right

On the dance floor, much too near
Move your butt, now have no fear
Totally, yes the party started
Sweet dreams keep comin' harder

(Chorus)x2

Olaa olaa yeahh (x4)
