Where do you go, my lovely  
Where do you go  
I wanna to know, my lovely, I wanna to know

I wanna to know, oh oh eh oh  
I wanna to know, oh oh eh oh  
I wanna to know, oh oh eh oh  
I wanna to know, oh oh eh oh...  
I wanna to know...

My imagination drive me insane  
tell me give you lay  
Never in my life  
few such a pain  
You never find the way

Everytime you call  
you're not home, when is wrong  
I carry you to me  
heard you'll hanging round  
every night every dawn  
and you'll tell me you'll been
