Suffocation
Quench my thirst for blood
Strangulation
A victim is dying

Temporary insanity
Approaching death
Pray your last will
There is no escape

Virgin soul
Torn apart by me
Devoted mind
Left a hollow void

Virgin soul
Torn apart by you
Devoted mind
Left a hollow void

Exploiting all your blood
Degrading on your soul
Depraving you of your pride

Exploiting all my blood
Degrading on my soul
Depraving me of my pride

It all comes down to this
You will always be my mindless bitch
Cry for help, out of reach
Cannot grasp this evil within
The rivers will run red in your blood

Virgin soul
Torn apart by me
Devoted mind
Left a hollow void

Virgin soul
Torn apart by you

Devoted mind
Left a hollow void

Exploiting all your blood
Degrading on your soul
Depraving you of your pride

Exploiting all my blood
Degrading on my soul
Depraving me of my pride
