Song Found On Euro Mega Hits Vol 3

You're a stranger
It doesn't matter
Come and dance with me
A little closer
Baby don't you want to dance with me?

Is it the way that you move?
When you're grooving in the spot light
I cant stop thinking about you
Thinking about you
Thinking about you

So tonight
Let me feel your arms around me
And we'll dance into the night
Let me feel your arms around me
And we'll dance 'til morning light
Let me feel your arms around me
And we'll dance into the night
Let me feel your arms around me
Around me, around me

Just can't believe it
I find an angel right infront of me
Take me over
Can't get enough of what you do to me

Is it the way that you move
Or am i captured by your mystery
I cant stop thinking about you
Thinking about you
Thinking about you

So tonight
Let me feel your arms around me
And we'll dance into the night
Let me feel your arms around me
And we'll dance 'til morning light
Let me feel your arms around me

And we'll dance into the night
Let me feel your arms around me
Around me, around me
