Mar gai mar gai ni legeya sada dil Mirza

So I step in the joint with style and finesse
Dressed in designer just looking my best
Versace Armani iceberg or guess
Gucci envy, they smell so fresh
Hold it down for my mans in the west
Dress to impress the gyalas them stress
Cos they looking a mess
But never the less
I walk on by, cos they never can test

Vocal assassin but shot through the chest
Last time I fail but like I'm a success
Lyrics hit hard, hard to digest
Other emcees, you aint no contest
Got lyrics that annoy and beats that blessed
Baptise you on chest on a chest.

Rec execs that know how to invest
It's the mans you know as PHS

Cos I'm Miss Scandalous, on a track so fat you can
handle this
Heat up the joint bodies caress.
Hit boiling point and its time to undress
Ladies look so envious
Don't step to me cos I be fearless careless
And the girls them jealous
Step out the first and into the next verse

Mirza tande hoke partha
Ortha sada, uthe marda
Mirza tande hoke partha
Ortha sada, uthe marda
Ortha sa
