40, 40 dollar to the man that wanna go
20, 20 to the sister with the ticket at the grocery store
I wish someone would get mine
If you got an extra dollar can you lend it to a man who's
poor
I'm beat up but I ain't down
I've been lost but now I'm found
I've been defeated for sure
And now I got a chance and the City better let me go

I can't wait to get a ride to to California
'Cause it makes sense to go to California
If Hollywood is where it's at let's go to California
'Cause it makes to sense to go California
Can I get a boat, no, let's just go, LA, whoa, got no
money sure
If you was me see you would do the same thing you
know
So leave your bags at your mama's door

Going, going, gone to the man in the back of the line
If you feel me let me hear you say it one more time
I've set mind to break free now my body is getting
loose
While I'm sinking like a dancing tree
I'm beat up but I ain't down
I've been lost but now I'm found
I need to leave this for sure
If you got another seat on the bus would you let me go

I can't wait to get a ride to to California
'Cause it makes sense to go to California
If Hollywood is where it's at let go to California
'Cause it makes to sense to go California
Can I get a boat, no, let's just go, LA, whoa, got no
money, sure
If you was me see you would do the same thing you
know
So leave your bags at your mama's door

I really gotta catch that ride

I need to find a place in line
I'm picking up an LA vibe
I really wanna go this time

I really gotta catch that ride
I need to find a place in line
I'm picking up an LA vibe
I really wanna go this time

Whoooa

I can't wait to get a ride to to California
'Cause it makes sense to go to California
If Hollywood is where it's at let go to California
'Cause it makes to sense to go California
Can I get a boat, no, let's just go, LA, whoa, got no
money, sure
If you was me see you would do the same thing you
know
So leave your bags at your mama's door

Interstate freeway green light go
You can even get a plane or a train if the traffic's slow
I bet you won't beat me
I've been waiting for a mighty long time so you best
believe

I'm beat up but I ain't down
I've been lost but now I'm found
I need a ticket for sure
If you got another seat on the plane would you let me
go

Hey! Break free
Hey! Break free
Hey! Break free
Hey! Come go with me
Hey! Break free
Hey! Break free
Hey! Come go with me
Hey! Whoooa

I can't wait to get a ride to to California
'Cause it makes sense to go to California
If Hollywood is where it's at let go to California
'Cause it makes to sense to go California
Can I get a boat, no, let's just go, LA, whoa, got no
money, sure
If you was me see you would do the same thing you
know
So leave your bags at your mama's door
