Ooooooooouuhhh
Ooooooooouuhhh

Can you feel me?
When I think about you
With every breath I take
Every minute
No matter what I do
My world is an empty place

Like I've been wonderin the desert
For a thousand days (ohhhuhh)
Don't know if it's a mirage
But I always see your face, baby

[Chorus:]
I'm missing you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain
Ohhohoh, Wooooaahhh woaahh

The stars are burning
I hear your voice in my mind (it's in my mind)
Can't you hear me calling
My heart is yearning
Like the ocean that's running dry
Catch me I'm falling

It's like the ground is crumbling underneath my feet
Won't you save me
There's gonna be a monsoon
When you get back to me
Ohhhh baby
[Chorus:]

I'm missing you so much
Can't help it, I'm in love (love)
A day without you is like a year without rain
I need you by my side (side)

Don't know how I'll survive
A day without you is like a year without rain
Ohhohoh, Wooooaaahhh woaahh

So let this drought come to an end
And may this desert flower again
I'm so glad you find me,
stick around me, baby baby baby oohh
It's a world of wonder with you in my life,
So hurry baby, don't waste no more time
I need you nearer, I can't explain but a day without you
is like a year without rain
Ohhohoh

[Chorus:]

I'm missing you so much (much)
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side (side)
Don't know how I'll survive
A day without you is like a year without rain
Ohhohoh, Wooooaaahhh woaahh
Ooohh, Oooooooooouhhh
