Oh, oh, ooohhh, ooohhh, ooohhh,  
Oh, oh, oh, oh, ooohhh, ooohhh,  
Ooohhh, oh, oh

You walk and talk  
Like you're some new sensation  
You move in circles,  
You don't need an invitation  
You spend your money  
You can't get no satisfaction  
You play it right  
So you can get the right reaction

It won't be long,  
My darling on  
Pick up the phone,  
Nobody's on it  
Where are your friends now, baby?  
Aren't they the ones supposed to be there for

You, when you're falling down  
The world is spinnin' out  
You, when you're falling down  
Now, it's not all about  
You, when you're falling down  
You know, I'll be around,  
When you're falling down,  
You're falling down

(Falling down, you're falling down,  
Falling down)

What's out the place  
When you look into the mirror  
The truth is blurry  
But the lies are getting clearer  
Your eyes are fixed,  
Your smile is so elastic  
You gave me roses  
But they're all just made of plastic

It won't be long,

My darling on  
Pick up the phone,  
Nobody's on it  
Where are your friends now, baby?  
Aren't they the ones supposed to be there for

You, when you're falling down  
The world is spinnin' out  
You, when you're falling down  
Now, it's not all about  
You, when you're falling down  
You know, I'll be around,  
When you're falling down,  
You're falling down

Smile for the camera,  
Everybody's looking at ya  
Smile for the camera  
If they're all about to trash ya  
Smile for the camera, camera, camera  
Smile for the camera,  
Who's gonna catch ya?

Aaahhh...

You

You, when you're falling down  
The world is spinnin' out  
You, when you're falling down  
Now, it's not all about  
You, when you're falling down  
You know, I'll be around,  
When you're falling down,  
You're falling down

Smile for the camera,  
Everybody's looking at ya  
Smile for the camera  
If they're all about to trash ya  
Smile
