You change your mind  
Like a girl changes clothes  
Yeah, you PMS  
Like a girl  
We will know  
And you over think  
Always speak cryptically  
I should know  
They aren't no good for me

'Cause you're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You don't really wanna stay, no  
You, but you don't really want to go-o  
You're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down

We used to be just like twin  
So in sync, the same battery  
Now's a dead battery  
Used to laugh 'bout nothing  
Now your plain boring  
I should know that you're not gonna change

'Cause you're hot and you're could  
You're yes and you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You don't really wanna stay, no  
You, but you don't really want to go-o

You're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down

Someone call the doctor  
Got a case of love bi-polar  
Stuck on a rollercoaster  
Can't get off this ride

'Cause you're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You don't really wanna stay, no  
You, but you don't really want to go-o  
You're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down

'Cause you're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You don't really wanna stay, no  
You, but you don't really want to go-o  
You're hot and you're cold  
You're yes and you're no  
You're in and you're out  
You're up and you're down
