I picked you out
In a crowd of a thousand faces
Yeah, I found you ooo ooo
I chose the whys and the whens
All the random places
Yeah, I chose you ooo ooo
I let you see me
Let you believe it was your move
So smooth, my rules

CHORUS

Well, you think you are the one
Who got me boy
But I got you
I've been playing with you
Like a little toy
Yeah, I got you
I got you
I got you

You'd be surprised all the times
That I almost told you
But I stayed cool ooo ooo
I almost broke but I knew
I would get to hold you
'Cause I'm no fool ooo ooo
You cam right to me
And did the very thing I knew
That you'd do ooo ooo

CHORUS

Well, you think you are the one
Who got me boy
But I got you
I've been playing with you
Like a little toy
Yeah, I got you
I got you
I got you

You gave me all control
I took your heart and soul

For me you're gonna roll
I got you, you, you
I got you ooo ooo

CHORUS

Well, you think you are the one
Who got me boy
But I got you
I've been playing with you
Like a little toy
Yeah, I got you
I got you
I got you
