I know that my love for you is real  
It's something true that we do  
Just something natural  
That I feel  
When you walk in the room,  
When you're near  
I feel my heart skip a beat  
The whole world disappears  
And there's just you and me  
Falling head-ovr-heels  
Let's take a chance  
Together

#### CHORUS

I know, I know, I know,  
We're gonna make it,  
'Cause no one else  
Can make me feel the way that you do  
I Promise You  
I know, I know, I know,  
We're gonna get there  
Today, tomorrow  
And forever we will stay true  
I Promise You

They say that we're just too young  
To know  
But I'm sure heart and soul  
That I am never lettin' you go  
When it's right, it's right  
And this is it  
'Cause I'm walkin' on air  
Every single time that we kiss  
You make the angels sing  
You give that silver rings,  
You make everything better

#### CHORUS

I know, I know, I know,  
We're gonna make it,  
'Cause no one else  
Can make me feel the way that you do

I Promise You  
I know, I know, I know,  
We're gonna get there  
Today, tomorrow  
And forever we will stay true  
I Promise You

I'll never let you down,  
I'll always hear you out,  
There is nothing you cannot confide  
You listen when I speak  
You make me knees go weak  
And I just want you by my side

#### CHORUS

I know, I know, I know,  
We're gonna make it,  
'Cause no one else  
Can make me feel the way that you do  
I Promise You  
I know, I know, I know,  
We're gonna get there  
Today, tomorrow  
And forever we will stay true  
I Promise You

We're gonna make it,  
I Promise You,  
Yeah, yeah, yeah  
I Promise You
