You had me to get her
And here I thought it was me
I was changing, arranging
My life to fit your lies
It's all said, and all done
I gave it all for the long run
Can she say, the same thing?
I guess, this is goodbye and good luck

I can't be what you want me to be

CHORUS

I'm sorry for changing,
I'm sorry, it had to be this way
Believe me, it's easier
Just to pretend
But I won't apologize for who I am

Remember the time when
You said you were out with your "best friend"
But it wasn't your best friend
That you knew, I thought you meant
And I used to accept it
I didn't know I could be free
But I am, and I won't
Go back
'Cause you so don't deserve me

I don't even wanna be her

CHORUS

I'm sorry for changing,
I'm sorry, it had to be this way
Believe me, it's easier
Just to pretend
But I won't apologize for who I am

I thank you for
This hopeless war
'Cause through the pain I found
I'm stronger than before
Now I'm more

I don't need you anymore
Sorry

Listen close, I won't say this again

CHORUS

I'm sorry for changing,
I'm sorry, it had to be this way
Believe me, it's easier
Just to pretend
But I won't apologize for who I am

CHORUS

I'm sorry for changing,
I'm sorry, it isn't like it was
Believe me, it's easier
Just to pretend
But I won't apologize
Why should I apologize?
No, I won't apologize for who I am
