I feel like I'm walking in the sky  
Woah, woah  
Yesterday tears were in my eyes  
Woah, woah

What a bad day  
Yeah, I've been there before  
But I keep my head up  
So I don't have those anymore  
I made a choice to be the best  
That I could ever be  
Gotta stay positive  
Ignore the negativity

### CHORUS

I'm gonna follow my intuition  
Tellin' myself to listen  
Everything's gonna be okay  
It's gonna be a good day  
Oh, oh, oh, oh, oh,  
Oh, oh, oh, oh, oh  
It's gonna be a good  
Follow my intuition  
It's gonna be a good day

I gotta go with what feels right  
Woah, woah  
Don't know his native reason why  
Woah, woah

What's the problem  
Compared to the weight of the world  
Quit tryin' to please every woman, boy and girl  
Better pick up the pase  
There ain't no time to waste  
Tomorrow's never promised  
So I started living for today

### CHORUS

I'm gonna follow my intuition  
Tellin' myself to listen  
Everything's gonna be okay

It's gonna be a good day  
Oh, oh, oh, oh, oh,  
Oh, oh, oh, oh, oh  
It's gonna be a good  
Follow my intuition  
It's gonna be a good day

All I know is that  
I just gotta let go  
Gelic, come back it's always easy to know  
Sometimes it just get so confusing  
I feel like I don't know  
What I'm doin'  
What I'm dressin' up high

And in the end  
There's not gonna be better  
Than anything  
See what's meant to be  
Of what we have been  
You know it's gonna be good day

#### CHORUS

I'm gonna follow my intuition  
(I said it's gonna be a good day! )  
Tellin' myself to listen  
Everything's gonna be okay  
It's gonna be a good day  
Oh, oh, oh, oh, oh,  
Oh, oh, oh, oh, oh  
It's gonna be a good  
Follow my intuition

Oh, oh, oh, oh, oh,  
Oh, oh, oh, oh, oh  
It's gonna be a good day  
Follow my intuition  
It's gonna be a good day
