When you walk
You don't leave tracks
When you talk
They don't talk back
Believe in every word they say
But they don't know,
They don't, don't know
Secrets that you just can't keep
Promises that you made me
You twisted it to suit yourself
But now I know
I know, I know

Ooh, everything that I told you
Ooh, you just smile and then you

CHORUS
Kiss & Tell
Everything I said
Stuck inside your little web
Everybody wants to know
Lips that lie,
Cover your track
Sold me out and
You just laugh
Say we're friends until the end
Yeah, but you don't mean it
Don't mean it, you don't mean it,
You don't mean it, no

I wish that I could take it back
You want it all
But you can't have that
People fallin' at your feet
But they don't know,
They don't, don't know
You're gonna figure out real soon
The dirty deeds will catch up to you
It's crumbling beneath your feet
But you don't know
You don't, don't know

Ooh, everything that I told you
Ooh, you just smile and then you

CHORUS

Kiss & Tell
Everything I said
Stuck inside your little web
Everybody wants to know
Lips that lie,
Cover your track
Sold me out and
You just laugh
Say we're friends until the end
Yeah, but you don't mean it
Don't mean it, you don't mean it,
You don't mean it, no

Ooh, everything that I told you
Ooh, everything that I told you
Ooh, you just smile and then you

Kiss & Tell
Everything I said
Stuck inside your little web
Everybody wants to know
Lips that lie,
Cover your track
Sold me out and
You just laugh
Say we're friends until the end
Yeah, but you don't mean it
Don't mean it, you don't mean it,
You don't mean it, no
