You left me spinning like a disco,  
but i didn't know if I can stand straight  
You took me left when you knew i was right  
now i gotta fight just to make it through  
the day

I never knew what you were capable of,  
Baby i would of kept my heart,  
but i gave it up, Baby i fell in love,  
now i don't know where to start

It's so cold with nobody to hold me  
You're so wrong for leaving when  
you told me, You would never leave me by myself  
Out in the middle of nowhere  
Now i'm lost trying to make it on my own  
i thought i could never do this alone  
but now i'm walking myself out in the  
middle of nowhere

You left me broken like a record baby,  
i'm baby, I'm hurt & i don't wanna play  
anymore, Missed every sign, believed  
every lie, whoa whoa & i was wating for  
more

I never knew what you were capable of,  
Baby i would of kept my heart,  
but i gave it up, Baby i fell in love,

now i don't know where to start

It's so cold with nobody to hold me  
You're so wrong for leaving when  
you told me, You would never leave me by myself  
Out in the middle of nowhere  
Now i'm lost trying to make it on my own  
i thought i could never do this alone  
but now i'm walking myself out in the  
middle of nowhere

You took my heart off my sleeve & now

i'm taking back it back, back  
baby here i come,  
You took advantage of me i don't appreciate that,  
that you son of a gun

It's so cold with nobody to hold me  
You're so wrong for leaving when  
you told me, You would never leave me by myself  
Out in the middle of nowhere

It's so cold with nobody to hold me  
You're so wrong for leaving when  
you told me, You would never leave me by myself  
Out in the middle of nowhere  
Now i'm lost trying to make it on my own  
i thought i could never do this alone  
but now i'm walking myself out in the  
middle of nowhere
