Selena Gomez & The Scene
"More"

Friday night and
We're just talking
Stars are crashing in the sky
Burning just for you and I
We don't need to
Overthink this
Nothing's gonna bring us down
Show them what we're all about

All the way, 101 percent
Touchdown
We're gonna kill it,
Lead the pack
Gonn' take this town

CHORUS
Let's go, watcha wanna wait for
Let's take everything we asked for
C'mon and let it play
And let me hear you say
More, more, more

Take my hand and
Pull me closer
Whisper nothings in my ear
Till the walls just disappear
Feel the music
Take us higher
Feel my heartbeat like a drum
And baby you'e the only one

All the way, 101 percent
Touchdown
We're gonna kill it,
Lead the pack
Gonn' take this town

CHORUS
Let's go, watcha wanna wait for
Let's take everything we asked for
C'mon and let it play
And let me hear you say

More, more, more

Come on everybody,
Let's go party till they
Kick us out now
(I don't care)
Once we get it started
We won't stop until
We get it all out
(Take me there, take me there)
More, more, more

CHORUS
Let's go, watcha wanna wait for
Let's take everything we asked for
C'mon and let it play
And let me hear you say
More, more, more
