You make me so upset sometimes  
i feel like a could loose my mind  
the conversation goes nowhere  
Cuz you're never gonna take me there

and i know what i know  
and i know you're not good for me  
yeah i know what i know  
and i know it's not ment to be

Here's my dilemma  
one half of me wants ya  
and the other half wants to forget  
my-my my dilemma from the moment i met ya  
i just can't get you out of head  
and i tell myself to run from you  
but i find myself attracted  
to my dilemma  
my dilemma, it's you, it's you

you'r eyes have told a thousand lies  
but i believe' em when they look in mine  
i heard the rumors, but you won't come clean  
i guess i'm hoping it's because of me

and i know what i know  
and i know you're not good for me  
yeah i know what i know  
and i know it's not ment to be

Here's my dilemma

one half of me wants ya  
and the other half wants to forget  
my-my my dilemma from the moment i met ya  
i just can't get you out of head  
and i tell myself to run from you  
but i find myself attracted  
to my dilemma  
my dilemma, it's you, it's you

ohh

i could live without you  
your smile, your eyes  
the way you make me feel inside  
i could live without you  
but i don't wanna, i don't wanna, oh

you make me so upset sometimes

Here's my dilemma  
one half of me wants ya  
and the other half wants to forget  
my-my my dilemma from the moment i met ya  
i just can't get you out of head  
and i tell myself to run from you  
but i find myself attracted  
to my dilemma  
my dilemma, it's you, it's you

it's you (x9)

my-my my dilemma
