Twisted
You've shaken my existence
When I'm with you, baby, this is
All I've come to know
Runnin'
I didn't see it comin'
Blinded, it's so stunnin'
I don't wanna let you go

CHORUS
A thousand church bells ringing
I can hear the angels singing
When you call my name
Your love is off the chain
(Off the chain)
(Off the chain)
The chemistry is crazy
And you make me feel amazing
And I can't explain,
Your love is off the chain
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)

Coming,
Just keep the magic coming
You've got me, baby, crushing
But it feels like so much more
Just when,
When I least expected
You make it feel so epic
Like nothing I've felt before

CHORUS
A thousand church bells ringing
I can hear the angels singing
When you call my name

Your love is off the chain
(Off the chain)
(Off the chain)
The chemistry is crazy
And you make me feel amazing
And I can't explain,
Your love is off the chain
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)

I'm not the type
Who gets crazy for someone
Alter me trippin' on it
Next to nothing
Guarded my heart like a diamond ring
But love, your love
Changes everything
Everything is changed
Everything is changed
Everything is changed
Your love is off the chain
Everything is changed
Everything is changed
Now everything is changed

CHORUS

A thousand church bells ringing
I can hear the angels singing
When you call my name
Your love is off the chain
(Off the chain)
(Off the chain)
The chemistry is crazy
And you make me feel amazing
And I can't explain,
Your love is off the chain
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)
Your love, your love, your love
(Off the chain)
(Off the chain)

Your love, your love, your love, love
(Off the chain)
Your love, your love, your love, love
(Off the chain)
Your love, your love, your love, love
(Off the chain)
