You've been riding this horse a long time  
Why can't you find what you where looking for?  
Always greener on the other side  
Always believe there must be something more

Never stay very long anywhere  
As the next girl you leave gets smaller  
In you raer-view mirror

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

If you tear her world apart  
You have no regrets  
If there's a key to your heart  
No one has found it yet

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

Your reputaton's gettin out of control  
I can believe, she believe's one word you say  
Before I let you take my girlfriend home  
I've got to warn her about the price on your head

It must feel so alone out there  
Always running away from someone  
But you get nowhere

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

You're in outlaw

You're in outlaw

You're in outlaw running from love

If you tear her world apart  
You have no regrets  
If there's a key to your heart  
No one has found it yet

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

I'm from the Lone Star State  
I'm ready to bring you in  
(Oh..)

I'm gonna see your face make you pay for all of your  
sins  
Oh...Oh, oh

You've been riding this horse a long time  
I've had my eye on you all night  
I'm gonna find a way to make you mind  
I know, even though

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

You're in outlaw  
You're in outlaw  
You're in outlaw running from love

If you tear her world apart  
You have no regrets  
If there's a key to your heart  
No one has found it yet

You're in outlaw  
You're in outlaw  
You're in outlaw running from love
