(Round & Round)

Round & Round

Round & Round

Round & Round

You see me standing there  
And act like you don't know me  
But last night you were calling me  
Saying you want me

Oh why you always make me feel  
Like I'm the one that's crazy  
You feel my heart racing  
My my heart racing

[Chorus:]

Boy, I need you here with me  
We can't go on this way  
I'm falling hard for you  
All I can say  
We're going round & round  
We're never gonna stop going round & round  
We'll never get where we're going  
Round & round  
Well you're gonna miss me  
Cause I'm getting dizzy going  
Round & round & round  
You came to pull me close  
And whisper in my ear  
You always told me lies  
I've cried out all my tears  
I pushed my feelings to the side  
But then you bring them back  
Bring them back  
Now you got me singing

[Chorus]

Love me or love me not  
I'm staring at the clock  
I pick them flower petals off  
And then I watch them drop [x2]

[Chorus]

We're never gonna stop going  
Round & round  
We'll never get where we're going  
Round & round  
Well you're gonna miss me  
Cause I'm getting dizzy going  
Round & round & round

Uoh uoh uoh  
Uoh uoh uoh  
Uoh uoh uoh
