You know fairytales don't come true  
Not when it comes to you  
Open up for the first time  
And you can bet it's the last time

And I'm cool with layin' low  
Saturday night and I'm stayin' at home  
I'm feelin' good for the first time  
It's been a while since the last time

I will wave goodbye when you say hello

I'm sick of the sleepless never-ending nights  
I just don't care who was wrong or right  
I'm sick of the rumors and the alibis  
You tear me up, I'll cut you down inside

I'm s-s-so sick of you, so sick of you  
Sick of all your little lies  
I'm s-s-so sick of you, so sick of you  
Sick of all the girls by your side  
What you don't know  
Is how great it feels to let you go

I get your game, it's so see-through  
You know I'm way to good for you  
Movin' on to the next time  
Drop the baggage and I'll be fine

When it's time to reminisce  
You're gonna realize you miss this  
You're in my mind for the last time  
And at the most you were a past time

I will wave goodbye when you say hello

I'm sick of the sleepless never-ending nights  
I just don't care who was wrong or right  
I'm sick of the rumors and the alibis  
You tear me up, I'll cut you down inside

I'm s-s-so sick of you, so sick of you

Sick of all your little lies  
I'm s-s-so sick of you, so sick of you  
Sick of all the girls by your side  
What you don't know  
Is how great it feels to let you go

I'm happier alone  
Taking all your pictures  
And I'll throw those memories out the door

Sick of you, so sick of you  
Sick of all your little lies

I'm sick of the sleepless never-ending nights  
I just don't care who was wrong or right  
I'm sick of the rumors and the alibis  
You tear me up, I'll cut you down inside

I'm s-s-so sick of you, so sick of you  
Sick of all your little lies  
I'm s-s-so sick of you, so sick of you  
So I'm gettin' on with my life

I'm s-s-so sick of you, so sick of you  
I'm s-s-so sick of you, so sick of you  
So sick of you, ooohhh...

I'm s-s-so sick of you, so sick of you  
I'm s-s-so sick of you, so sick of you  
So sick of you, ooohhh...

What you don't know  
Is how great it feels to let you go
