I can tell by the way that you feel
Something ain't going your way
Jeans too tight and your hair ain't right
We all get some of those days
Oh, throw that mirror away
Oh, you know it's gonna be okay

Take it down, shake it out
On the floor, you'll get over it
Let it drop, make it stop, oh

When you feel like nothing
Everybody something
You and your friend
Everybody jump in
Look at us now
Everybody shout out
Oh, in the spotlight

No matter what you're outside
Get it with you're inside
Open your eyes
You deserve a spotlight
Don't be frowning
Everybody's something

Oh, oh, in the spotlight
Oh, in the spotlight
Oh, in the spotlight
Oh, in the spotlight

Got an uh-oh on my face
Wishing I could press delete
We've all got something we don't like
Even angelina jolie
oh, throw that mirror away
oh, don't be goin' M.I.A

Take it down, shake it out
On the floor, you'll get over it
Let it drop, make it stop, oh

When you feel like nothing
Everybody's something
You and your friend
Everybody jump in
Look at us now
Everybody shout out
Oh, in the spotlight
No matter what you're outside
Get it with you're inside
Open your eyes
You deserve a spotlight
Don't be frowning
Everybody's something
Oh, oh, in the spotlight
Oh, in the spotlight
Oh, in the spotlight
Oh, in the spotlight

I can tell by the way you talk the talk
That something ain't going your way cause
Your jeans too tight and your hair ain't right
Well, we all get some of those days just
Take another deep breath, try to hit your reset
You know that I can relate, put your
Hands in the air now, let me hear you shout out
'world get out of my way!'

Take it down, shake it out
On the floor, you'll get over it
Let it drop, make it stop, oh

When you feel like nothing
Everybody's something
You and your friend
Everybody jump in
Look at us now
Everybody shout out
Oh, in the spotlight
No matter what you're outside
Get it with you're inside
Open your eyes
You deserve a spotlight
Don't be frowning
Everybody's something, oh

when you feel like nothing
everybody's something
you and your friend
everybody jump in
look at us now
everybody shout out

oh,in the spotlight
no matter what you're outside
get it with your inside
open you're eyes
