You think you know me so well
You put me down
It builds you up
You're kicking me around
You just can't get enough
And all your friends surround you
Without them by your side
You start to show your weakness
It's something you can't hide

Yeah, yeah

CHORUS

Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"
Laugh while you can
Yeah, live it up
But read my lips
That the joke is on you
Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"

I'm waking up, I'm feeling
What I was scared to feel before
I got my eyes wide open
Gonn' take it anymore
And all the lies and teasing
Guess I could never be that cool
You had them all believing
But now that's trough

Yeah, yeah

CHORUS

Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"
Laugh while you can
Yeah, live it up
But read my lips

That the joke is on you
Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"

Countdown, the tables are turned
Better wise up, you gotta lot to learn
'Cause you're all alone now

CHORUS

Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"
Laugh while you can
Yeah, live it up
But read my lips
That the joke is on you
Well, stop & erase
'Cause I'm gonna whipe that smile
Off your "Know-it-all-face"
