Speak slow.  
No, you're in a rush.  
But I don't think I'm asking for too much.  
'Cause I just hit a royal flush.  
I don't want us to lose.

Because you pull me like a magnet.  
Let's kick this nasty habit.  
You shot me with your Cupid's bow.  
I can't believe they haven't caught me.  
You've got me actin' naughty.  
The cards are laying on the floor.

Really wanna take this chance.  
No, I don't want to lose you, please don't go.  
I'll roll the dice, this is how I work, you name the price.  
This chance, how can I bet you that I will win?  
Chance, guess I could gamble, give it a spin.  
Chance.

Dress me up in princess cuts.  
Of city they call sin.  
I can live the life I want.  
Bet all my cash on him.

Because you pull me like a magnet.  
Let's kick this nasty habit.  
You shot me with your Cupid's bow.  
I can't believe they haven't caught me.  
You've got me actin' naughty.  
The cards are laying on the floor.

Really wanna take this chance.  
No, I don't want to lose you, please don't go.  
I'll roll the dice, this is how I work, you name the price.  
This chance, how can I bet you that I will win?  
Chance, guess I could gamble, give it a spin.  
Chance.

Like a showgirl, I control my destiny.  
Living on the edge again.

Because you pull me like a magnet.  
Let's kick this nasty habit.  
You shot me with your Cupid's bow.  
I can't believe they haven't caught me.  
You've got me actin' naughty.  
The cards are laying on the floor.

Really wanna take this chance.  
No, I don't want to lose you, please don't go.  
I'll roll the dice, this is how I work, you name the price.  
This chance, how can I bet you that I will win?  
Chance, guess I could gamble, give it a spin.  
Chance.
