You're one the phone  
With your girlfriend  
She's upset  
She's going off  
About something that you said  
She doesn't get your humor  
Like I do

I'm in the room  
It's a typical tuesday night  
I'm listening to the kind of music  
She doesn't like  
And she'll never  
Know your story like I do

She wears short skirts  
I wear t-shirts  
She's cheer captain  
And I'm on the bleachers  
Dreamin' 'bout the day  
When you'll wake up  
And find that what you're  
Lookin' for has been here the whole time

#### CHORUS

If you could see  
That I'm the one  
Who understands you  
Been here all along  
So why can't you see  
You belong with me  
You belong with me

Walk in the streets  
With you in your worn out jeans  
I can't help thinkin'  
This is how it ought to be  
Laughin' on a park bench  
Thinkin' to myself  
Hey, isn't this easy

And you've got a smile

That could light up  
This whole town  
I haven't seen it in a while  
Since she brought you down  
You say you're fine  
I know you better than that  
Hey, watcha doin' with a girl like that?

She wears high heels  
I wear sneakers  
She's cheer captain  
And I'm on the bleachers  
Dreamin' 'bout the day  
When you'll wake up  
And find that what you're  
Lookin' for has been here the whole time

#### CHORUS

If you could see  
That I'm the one  
Who understands you  
Been here all along  
So why can't you see  
You belong with me

Standin' by  
And waitin' at your back door  
All this time  
How could you not know, baby?  
You belong with me  
You belong with me

And I remember you  
Driving to my house  
In the middle of the night  
I'm the one who makes you laugh  
When you know you're 'bout to cry  
I know your favorite songs  
And you tell me 'bout your dreams  
Think I know where you belong  
Think I know it's with me

#### CHORUS

Can't you see  
That I'm the one  
Who understands you?  
Been here all along  
So why can't you see?  
You belong with me

Standin' by

And waitin' at your back door  
All this time  
How could you not know, baby?  
You belong with me  
You belong with me

Have you ever just thought maybe?  
You belong with me  
You belong with me
