"Flying Away"

I remember when we use to fight,
But it never last through the night
The time were tough, the road was rough
Nothing seems to be enough

(Chorus)

You wanted, you needed, the best part of me
Yeah, yeah, yeah
Go now, it's okay, flying away, flying away

I remember when we use to laugh
But that's all in the past
The love I remembered, the first I've had
I gave it all, it didn't last,

(Chorus)

You wanted, you needed, the best part of me
Yeah, yeah, yeah
Go now, it's okay, flying away, flying away

(Bridge)

I've know the times that's gone
But life must carry on
There's no time left to run, what's done is done

(Chorus)

You watched, and I waited
We done the best we can
Yeah, yeah, yeah
The day is gone, it's over
I'm flying away, I'm flying away, I'm flying away
