(Verse 1)

The world is, getting older
The sun is, burning colder today
I knew you'll feel this way

(Chorus)(2x)

Cause I had a feeling you would do things your way
I had a feeling that you'd just walk away
I summed up every word I say,
It's so long in the worst way

(Verse 2)

There is no one, left to blame now
When everyone, seems the same now, to me
I'd give for good advice, you live and sacrifice

(Repeat Chorus)

(Vamp)

(Chorus)

Had a feeling you would do things your way
I had a feeling you would just walk away
I summed up every word I say, it's so long in the worst
way
I had a feeling you would do things your way
I had a feeling you would just walk away
I summed up every word I say,
It's so long in the worst way (The worst way...)
