Well she's overstressed
And she's underdressed at the party
You know she's a killer
Gothic getups were so eighth grade
And I'm all alone in a sea of vampires

Oh my god, you're making me come
Alive from fingertips to my bones
Oh my god, you're making me come
Alive from fingertips to my bones

How are you alive when you're so dead?
How are you alive when you're so dead?

Well she's a highpost thriller
Deathrow killer at the party
You know black's her color
Vampire lipgloss was so ninth grade
And I'm hooking up in a sea of mistakes again

Oh my god, you're making me come
Alive from fingertips to my bones
Oh my god, you're making me come
Alive from fingertips to my bones

How are you alive when you're so dead?
How are you alive when you're so dead?
How are you alive?

Oh my god, you're making me come
Alive from fingertips to my bones
Oh my god, you're making me come
Alive from fingertips to my bones

How are you alive when you're so dead?
How are you alive when you're so dead?
How are you alive when you're so dead?
How are you alive when you're so deadly?
How are you alive when you're so dead?
How are you alive when you're so deadly?
How are you alive when you're so dead?
How are you alive when you're so deadly?
