Freedom of Speech!  
News can't lie,  
as one must see  
all the truth on T.V.

Some hotel burning,  
airliner crash...  
or another Vietnam,  
to entertain you all...

Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV.

Six o'clock news,  
sandwich and a beer!  
Bright living colors,  
I'm not hungry no more!

Some hot shot racing driver...  
right against the wall.  
The President's speech cut,  
a bullet across his head.

Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV.

You can watch them die...  
Live on TV.  
You can watch them die...  
Live on TV.  
You can watch them die...

Live on TV.  
You can watch them die...  
Live on TV.

And maybe one day,  
within sports and forecast,  
I can taste the pleasure  
of watching my head burn.

Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV,  
You can watch them die...  
Live on TV.
