I'm sorry  
For all the words I didn't say  
It's too late  
Cause now you're gone so far away  
I feel like I'm lost  
With nothing left but shattered dreams  
I'm so lonely  
I'm holding on to memories

But then I feel your love surrounding me  
And it takes away the pain inside of me  
I believe  
I believe we'll be together

Another day  
Another time and place  
Somewhere, someday  
We'll meet another day  
Another day  
Belongs to you and me  
Somewhere, someday  
Another day

Oh darling  
We may be so far apart  
But I know that  
You'll always stay inside my heart  
Forever  
Cause you're the only love I know  
Together  
I'll never have to be alone

Your spirit gives me hope to carry on  
Now I understand that even though you're gone  
Life goes on  
Life goes on without you baby

Another day  
Another time and place  
Somewhere, someday  
We'll meet another day  
Another day

Belongs to you and me  
somewhere, someway

[Instrumental]

Another day  
Another time and place  
Somewhere, someway  
We'll meet another day  
Another day  
Belongs to you and me  
Somewhere, someway  
Another day
