Yeay!

Hello!  
We're looking for a lucky fellow  
We're waiting for the next big thing  
Is anybody in?

Hello!  
Ever seen Marilyn Monroe  
We need another star like that  
We need another star like that  
I wonder where she's at

Could be anyone  
It could be anyone  
Hello! Hello!  
Could be anyone  
I'm calling anyone  
Hello! Hello!

Who's out there?  
I wonder  
Where did everyone go?  
Everyone go

Hey there  
We wanna find a future millionaire  
We're ready for the right idea  
So hurry over here

Hello!  
We really do need a new hero  
Like Lady Di and Dr King  
Is anybody in?

Could be anyone  
It could be anyone  
Hello! Hello!  
Could be anyone  
I'm calling anyone  
Hello! Hello!  
Who's out there?

I wonder  
Where did everyone go?  
Everyone go?

Where did everyone go?  
Hear me calling all you dreamers  
Where did everyone go?  
Hear me calling for a genius  
Where did everyone go?  
Hear me calling all you heroes  
Where did everyone go?

Hello! Hello!  
Could be anyone  
It could be anyone  
Hello! Hello!  
Could be anyone  
Who's out there?

(Could be anyone)  
(It could be anyone)  
I Wonder  
(Hello!)  
Where did everyone go?

(Could be anyone)  
(It could be anyone)  
Hello! Hello!  
(Could be anyone)  
(It could be anyone)

(Hello! Hello!)  
Where did everyone go?  
(Could be anyone)  
(It could be anyone)  
(Hello!)
