Amy Diamond
"If I Ain't Got You"

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things
Define whatÂ's within
And IÂ've been there before
But that lifeÂ's a bore
So full of the superficial

Some people want it all
But I donÂ't want nothing at all
If it ain't you baby
If I ainÂ't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ainÂ't got you, Yeah

Some people search for a fountain
That promises forever young
Some people need three dozen roses
And thatÂ's the only way to prove you love him
Hand me the world on a silver platter

And what good would it be
With no one to share
With no one who truly cares for me

Some people want it all
But I donÂ't want nothing at all
If it aint you baby
If I ainÂ't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ainÂ't got you, you, you
Some people want it all
But I donÂ't want nothing at all
If it ain't you baby
If I ainÂ't got you baby
Some people want diamond rings

Some just want everything
But everything means nothing
If I ainÂ't got you, yeah

If I ainÂ't got you with me baby
See, nothing in this whole wide world donÂ't mean a
thing
If I ainÂ't got you with me baby
