I've gone from lukewarm to hot
I put my money on a longshot
Went from a little to a lot
I think I've stumbled on a gold pot

I'm feeling good about myself
And you've got something to do with it
But I'm not in it for my health
I think we're on to something else

Is it love? Is it love? Is it love?
That I'm feeling, is it love?
Could you pinch me to see if I'm dreaming
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love? Is this love? That I'm feeling

I pulled a rabbit out the hat
I never knew that I could do that
From where I've been to where I'm at
You couldn't pin it on a roadmap

Together makes a better view
Now that's a funny way to see it
You look at me, I look at you
I think we're on to something new

Is it love? Is it love? Is it love?
That I'm feeling, is it love?
Could you pinch me to see if I'm dreaming
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love? Is this love? That I'm feeling

(Oohh) That I'm feeling
(Oohh)

Could you pinch me to see if I'm dreaming
Is it love? Is it love? That I'm feeling
Dunno what and what not to believe in
Is it love? Love?

Is it love? Is it love? Is it love?
That I'm feeling, is it love?
Could you pinch me to see if I'm dreaming
Out of the dark, into the light
Wild as the wind, strong as the tide
Is it love? Is this love? That I'm feeling
