We took the heat we stood the pressure
We had to meet we stuck together
The hard times the bad signs
Only made us better

There will be stops we never listened
We flip the odds we went the distance
To stay true cus we knew
All that we've been missing
(They said)

Better safe then sorry
We wrote a different story
Should mean something
Out of nothing

All right now we managed somehow
The troubles are dawning happyless warning
All right now we managed somehow
The troubles are dawning happyless warning
(Aooooooooooooooooooooo)
(Looks like we made it)

They tried to plot
That didn't play out
They dug a hole
We dug out way out
Its in here
The smoke is clear
That's all we have to say now

We really stood the pressure
Yeah we stuck together
Im glad we did that
Im so glad we did that
All right now we managed somehow
The troubles are dawning happyless warning
All right now we managed somehow
The troubles are dawning happyless warning
(Aooooooooooooooooooooo)
(Looks like we made it)
(Aooooooooooooooooooooo)

(Looks like we made it)

Look at us together
So growing strong
Who could do it better
Look at us together
We sure proved them wrong
Looks like we made it
Looks like we made it
Ooo made it
We sure proved them wrong

(Aooooooooooooooooooooo)
All right now we managed somehow
The troubles are dawning happyless warning
(Happyless warning)
All right now we managed somehow
The troubles are dawning happyless warning

Looks like we made it
Looks like we made it
(Looks like we made it)
Ooo we made it
(Aooooooooooooooooooooo)
Looks like we made it
(Looks like we made it)
