Good luck to you
Hope you'll have your cake and eat it too
Good luck to you
May your every day be sunny blue

No bitter tears - gonna be
No bad blood here - gonna be

No regrets - everything works out for the best
We'll get it together - we had to settle for a draw, that's
all
There'll be no regrets, and no lost pride - on either side

So long, goodbye
We can walk away and say we tried
So long, farewell
It's time to cut the line, and go for self
No looking back- gonna be
No tricks or traps - gonna be

No regrets - everything works out for the best
We'll get it together - we had to settle for a draw, that's
all
There'll be no regrets, and no lost pride - on either side

We can't stop this rain from falling
We can't break this spell
Ain't no point in pointing fingers
Guess we might as well

Call it a tie, call it a day
Call it a draw and walk away

(CHORUS)
