(To my baby tonight, my baby tonight)
(I'm ready to fly, ready to fly)
(To my baby tonight, my baby tonight)

I'm looking for another rainbow
I'm walking on the milky way
And you can come along where I go
We're living every day
So go get ready
I gotta feeling we're up for the ride
(I gotta feeling we're up for the ride)

I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight
I'm ready to fly, I'm taking you high
Until we get the feeling alright, the feeling alright
Cause everytime we touch the sky
I wish that it would stay like this forever
I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight

The beauty lies in every sunrise
The dawning of a perfect day
And I can see the spark in your eyes
This moment's here to stay
So go get ready

I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight
I'm ready to fly, I'm taking you high
Until we get the feeling alright, the feeling alright
Cause everytime we touch the sky
I wish that it would stay like this forever
I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight

(To my baby tonight, my baby tonight)
(Hey)
(To my baby tonight, my baby tonight)

I gotta find my destination, yeah

Get up, it's time to go (get ready)
I gotta feeling that this is the night
(That this is the night)

I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight
I'm ready to fly, I'm taking you high
Unil we get the feeling alright, the feeling alright
Cause everytime we touch the sky
I wish that it would stay like this forever
I'm ready to fly, ready to fly
Take me to my baby tonight, my baby tonight
