Take your time

If you cage me I'd wanna be free right?
when you're tired you wanna sleep safe at night
We're not changing human nature now
So when you need love I will show you how

But if I tell you my heart is yours then what does it
mean?

It is a lie to say that without you I cannot breathe
If the butterfly wings were never meant to fly
Unreachable

Maybe we wouldn't have to say goodbye
Though my heart calls
When your heart wants to run with the wind
Oh I'll be fine
And then maybe come back in the spring
So take your time

When you let go then your soul decides
It is easy to enjoy the ride
We're united, separated, true
And all that is yours you will never lose

But if I tell you my heart is yours then what does it
mean?

It is a lie to say that without you I cannot breathe
If the butterfly wings were never meant to fly
Unreachable

Maybe we wouldn't have to say goodbye
Though my heart calls
When your heart wants to run with the wind
Oh I'll be fine
And then maybe come back in the spring
So take your time

Haaaaaah haaaaaah haaaaaah
Haaaaaah haaaaaah haaaaaah

Haaaaaah haaaaaah haaaaaah
Haaaaaah haaaaaah haaaaaah

So hard
If the butterfly wings were never meant to fly
Unreachable
Maybe we wouldn't have to say goodbye
Though my heart calls
When your heart wants to run with the wind
Oh I'll be fine
And then maybe come back in the spring
So take your time
