(Up u-u-up, up up, u-u-up, up up)

All set, you bet, ready to go  
Anything can happen, nobody knows  
One step, two steps, we're getting close  
To our destination gonna put on a show

Tonight can be all that we imagine  
Everything we want and more  
As long as the music keeps on playing

Now won't you turn it up, up, up  
Louder, don't stop!  
Take me over, lift me up high  
You need to turn it up, up, up  
We're ready, ready for this evening  
Ready for the feeling, won't you turn it up

(Up u-u-up, up up, u-u-up, up up)

Don't you hold back, no no no  
Let the rhythm lead you, anything goes  
Dance or don't dance, do what you like  
Let the music elevate you  
Don't put up a fight

Tonight can be all that we imagine  
Everything we want and more  
As long as the music keeps on playing

Now won't you turn it up, up, up  
Louder, don't stop!  
Take me over, lift me up high  
You need to turn it up, up, up  
We're ready, ready for this evening  
Ready for the feeling, won't you turn it up

I wanna get lost in the night (in the night)  
I wanna get lost in the feeling (in the feeling)  
I wanna get lost in the night (in the night)  
In music, in music

Now won't you turn it up, up, up  
Louder, don't stop!  
Take me over, lift me up high  
You need to turn it up, up, up  
We're ready, ready for this evening  
Ready for the feeling...

Now won't you turn it up, up, up  
Louder, don't stop!  
Take me over, lift me up high  
You need to turn it up, up, up  
We're ready, ready for this evening  
Ready for the feeling, won't you turn it up

(Up u-u-up, up up, u-u-up, up up)  
Won't you turn it up  
(Up u-u-up, up up, u-u-up, up up)  
Won't you turn it up
