Come to me closer really closer  
Dont be a false sign  
Your so gorgeous really gorgeous  
And I have no doubt  
Im wondering right now  
Why i feel upside down

The yellow shirt  
Its inside us  
Its once in us  
To stay in touch  
To look at you  
As you walk past  
You're beautiful  
Behind your mask

Cus I met you at the market  
Taking the same book  
And my hand touched yours  
Ohh the yellow cover  
My heartbeat you took  
I thought you were so cool

The yellow shirt  
Its inside us  
Its once in us  
To stay in touch  
To look at you  
As you walk past  
You're beautiful  
Behind your mask  
(Yeah yeah ohooooo)

Come to me closer really closer  
Dont be a false sign  
Your so gorgeous really gorgeous  
And I have no doubt

The yellow shirt  
(Shiiiiirt)  
Its inside us  
Its once in us

To stay in touch  
To look at you  
As you walk past  
You're beautiful  
Behind your mask

(Yellow shirt)  
(Its inside us)  
Its once in us  
To stay in touch  
To look at you  
As you walk past  
You're beautiful  
(Beautiful)  
Behind your mask  
(Aohooooo, ooooohooo)
