Before Tomorrow lyrics

Listen close I'll sing for you  
I won't go away  
I sail the raft on Liberty  
To this warm decay.

Sweet divide, override,  
Innocence brings.  
I need you  
I need you  
I need you.  
Sweet divide, override,  
Innocence brings.  
I need you, I need you, I need you.

Please watch close  
I'll dance for you  
spinning round the room  
Im gonna get you  
Im gonna get you  
I can get you  
I can get you  
When the world is in bloom.  
Oooo,oooo,ooo.

Sweet divide, override,  
Innocence brings.  
I need you  
I need you  
I need you.  
Sweet divide, override,  
Innocence brings.  
I need you  
I need you  
I need you.  
Oooo,oooo,ooo.
