Intro:

You opened my eyes  
you make me believe  
that there is a chance for a guy like me

You opened my eyes  
to a whole new world for me

Verse 1:

Baby don't you know  
that all I wanted was to be by your side  
to find a way to the light through the dark  
you saw the man that I was deep inside  
ahaaa

There's a voice  
that was screaming inside of my head  
now it's quiet and peaceful instead  
'cause I have learned from the things that you've said  
ahaaa

Chorus:

You opened my eyes  
you make me believe  
that there is a chance for a guy like me

You opened my eyes  
you showed me someone that no one else has seen

You opened my eyes  
you bring in the sun  
you make me believe I am someone

You opened my eyes  
to a whole new world for me

Verse 2:

I was lost  
and I was scared I was losing my mind  
running away from myself all the time  
'cause there was something I was waiting to find

ahaaa

There you were  
the sky has send me an angel from above  
you gave me strengt and you showed me how to love  
for that I'm thankful for the rest of my life  
ahaa

Chorus:  
You opened my eyes  
you make me believe  
that there is a chance for a guy like me

You opened my eyes  
you showed me someone that no one else has seen

You opened my eyes  
you bring in the sun  
you make me believe I am someone

You opened my eyes  
to a whole new world for me

Bridge:  
Now you're gone  
and though it hurts to know you're with someone new  
you know I always wanted the best for you  
you deserve to get the best in life too  
I'm grateful for the time with you

Chorus:  
You opened my eyes  
you make me believe  
that there is a chance for a guy like me

You opened my eyes  
you showed me someone that no one else has seen

You opened my eyes  
you bring in the sun  
you make me believe I am someone

You opened my eyes  
to a whole new world for me

You opened my eyes  
You opened my eyes  
You opened my eyes  
You opened my eyes
