Pay for her cab ride
Baby been verified
This comes from the noon
Don't trip a soon
Did as I planned 'night
You're patient is the sunlight
They're brighting the darker rooms
And then we start kissing we loving and twistin
But lately we got things to do
Camera ready? camera ready?
Strike a pose
Hold steady
96 so heavy
Got deal got dresses
What delays provide the tour
Spread the pace hard & lure
Teach me french maybe more
Ma'cherie I j'adore

In the afternoon
The light is just like the moon
Underneath the sun
You're the only one I kiss right now
I love right now
I fuck right now
I hold right now
In the afternoon

She want the beezer want the chair
With her love the snare
Flyin overseas just so I can meet her mother
How this females be marry me
Before I hit the V
Let's go to my crib

Â....

Smoking on the tree
Hit the spot
Make her want the D
Jesse in front

Iâ'm in the back
Oreo cookie
Pop a white chevy
Bought the milk
Now they pay me Gâ's

Â...

In the afternoon
The light is just like the moon
Underneath the sun
Youâ're the only one I kiss right now
I love right now
I fuck right now
I hold right now
In the afternoon
