I grew up a young cryboy  
Christian like Krizz is like the last you ever think to pick  
a fight  
Kids used to throw rocks at me  
when the bus stops at me  
houses would come running out  
Leave my brother alone, she would tell em  
I'ma kill em momma, if they send him home again  
yelling  
I'ma erase at least one of em from this place  
I hated they make fun of him cuz his face  
Go on and on, travellin on through adolescence  
Teach em a lesson, carry a weapon  
cuz thats the only way to keep em off of me  
They teasin me awfully bad  
I wish I could take of my mask and I'm asking my  
momma  
why you think the lord seen it fit to hit me with this  
He could make a different Krizz, if he wanted to  
Here's what I'm gonna do... I'ma tattoo my face and  
erase this  
This is Vitiligo

What kind of life is that for a boy who looks like this?  
(Famous)  
Wanting to fade in this world, but it's just a wish  
What you feelin? People whisper. Silhouette of a lonely  
figure  
(What can he do?) Where can he hide? Livin inside of  
this Vitiligo

Save this... freak of...nature songbird... Make his way  
from...

From the bottom all the way to the top  
Even though he hate the way he painted, momma told  
me I can't stop  
Cause no one cares. If anyones watching  
People stare at mister Watson  
But that never stopped him from coppin the vodkas  
and was popular

Its over and shit  
Colder the older it get  
Sorry pop never made it to see his son be the great one  
Escape from the place that definitely made him  
Look what I did, I made a life, a wife, and a kid  
People know me wherever I go  
This is Vitiligo

What kind of life is that for a boy who looks like this?  
(Famous)  
Wanting to fade in this world, but it's just a wish  
What you feelin? People whisper. Silhouette of a lonely
