"We Can Do It"

Searching for a reason
I'm livin in a wasteland
Of loneliness and treason
Like swimming down in quicksand

But baby with you I would like to go..
Where no one's ever gone
And baby with you I would like to do..
What no one's ever done

Baby we can do it, take the time
Do it right, we can do it baby
Do it tonight
Baby we can do it
Take the time, do it right
We can do it baby
Do it tonight
Do it tonight

I have every reason.
To live the dream inside me
I'm getting up and leavin'
I want you right behind me

Cause baby with you I would like to go..
Where no one's ever gone
And baby with you I would like to do..
What no one's ever done

Baby we can do it, take the time
Do it right, we can do it baby
Do it tonight
Baby we can do it
Take the time, do it right
We can do it baby
Do it tonight
Do it tonight

But baby with you I would like to go...
Where no one's ever gone.
And baby with you I would like to do...

What no one's ever done.

Baby we can do it, take the time
Do it right, we can do it baby
Do it tonight
Baby we can do it
Take the time, do it right
We can do it baby
Do it tonight

Baby we can do it, take the time
Do it right, we can do it baby
Do it tonight
Baby we can do it
Take the time, do it right
We can do it baby
Do it tonight
